Statewide Term Contracts for Desktop Delivery of Office Supplies **expired December 31, 2013.** In addition, Statewide Term Contracts for Desktop and Truckload Delivery Paper also **expired on the 31st.**

### [Expired Contracts Information](#)

Since the solicitation that now combines Desktop Delivery of Office Supplies and Paper remains under protest, no replacement contracts will be available until some undetermined date in early 2014. In the interim, procurement staffs are reminded to follow the competitive requirements of the South Carolina Consolidated Procurement Code to purchase Desktop Delivery Office Supplies and Paper until bids can be opened and new contracts awarded.
